DSO 3064		4 Chanell 60MHz USB oscilloscope	352.00 €		x1	x1	x1
PP80		Oscilloscope probe 1:10 60Mhz	5.00 €		x1	x1	x1
Auto Test Cable	HT30A		11.00 €		x2	x4	x4
Auto High-Pressure Ignition Probe	HT25	When used please note: (1), test clips shall not directly clip in spark plug, should be caught in the connection of the spark plugs of insulation wire, in order to prevent the breakdown and causing a shock. (2), to distance other high-voltage at least 2 inches apart, lest produce interference. (3), HT25 leading line length 2 meters 5, the decay of up to 10,000:1.	20.00 €		x2	x4	x4
20:1 Attenuator	HT201		10.00 €		x2	x4	x4
Large Dolphin/Gator Clip	HT18A	Contents: 1pc X Red Probe 1pc X Black Probe	7.00 €		x2	x4	x4
Break Out Leads	HT301		12.00 €				
6-Way Universal Breakout Leads	HT306	The breakout leads are available with 4 different sizes of connectors: 0.6 mm, 1.5 mm, 2.3 mm and 2.8 mm. This price is for one size only.	15.00 €

Acupuncture Probe Set	HT307		8.00 €		x1	x1	x1
Coil-on-Plug Extension Cord (with earth cord)	HT308		20.00 €			x4	x4
BNC to 4 mm Adapter	HT311		3.00 €				
Probe	HT322		4.80 €				
Multimeter Probe	HT19	The multimeter probes offer a quick and easy solution, where a permanent connection is not required. The 4 mm socket in the handle of the probe connects straight into the HT30A auto test cable. Length: 131 mm ,Diameter: 10 mm,Contents:1pc X Red Probe 1pc X Black Probe	7.00 €		x2	x4	x4
Auto Power Adapter	HT310	The DC Power Adapter will charge your scope while you're repair or maintain the car - just plug your scope with this adapter and then into any standard car cigarette plug-in. Input: 12-24VDC Output: 9V----2000mA	7.00 €			x1	x1
Current Clamp	CC-65	100A	61.00 €				x1
Current Clamp	CC-650	1000A	83.00 €				x1
LAN PCB	HT312	Please note our standard DSO3064 oscilloscope is without LAN and WIFI port. If you choose LAN or WIFI option, the port should be bulit in the device during production. WIFI must be with LAN macthing use, i.e. WIFI cannot work independently without LAN support.	36.00 €
